New ultra-low-noise microphones. Using advanced computational audio to remove more noise around you than ever, AirPods Pro 3 let you zone in (or out) when you need to. And five all-new ear tips — including an XXS option — fuse a thin layer of soft foam to the silicone shell to give you even better acoustic performance.

Voice Isolation reduce background noise to isolate your voice, whether you're in a noisy café, every day, and clear.

Adaptive EQ tunes music to your ears in real time based on the fit of your AirPods. Inward-facing microphones measure what you're hearing, then adjust the low to high frequencies of a song — so you get consistently detailed playback, every time.

Personalized Spatial Audio uses the TrueDepth camera on your iPhone to create a custom profile based on the geometry of your head, delivering deeply immersive sound tailored to you.

Dynamic head tracking makes conversations feel like they're happening in the same room — whether you're gaming with friends or hosting a Group FaceTime call with family.¹⁹

** Apple Card Monthly Installments (ACMI) is a 0% APR payment option that is only available if you select it at checkout in the U.S. for eligible products purchased at Apple Store locations, apple.com, the Apple Store app, or by calling [1-800-MY-APPLE](tel:1800MYAPPLE), and is subject to credit approval and credit limit. See [here](#) for more information about eligible products. Existing customers: See your Customer Agreement for your variable APR. As of January 1, 2026, the variable APR on new Apple Card accounts ranges from 17.49% to 27.74%. You must elect to use ACMI at checkout. If you buy an ACMI-eligible product with a one-time payment on Apple Card at checkout, that purchase is subject to your Apple Card's variable APR, not the ACMI 0% APR. Taxes and shipping on items purchased using ACMI are subject to your Apple Card's variable APR, not the ACMI 0% APR. In order to buy an iPhone with ACMI, you must select one of the following carriers (prepaid carrier plans are not supported): AT&T, T-Mobile, or Verizon. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time, subject to your carrier's terms. ACMI is not available for purchases made at the following special storefronts or when using these discounts in-store at Apple: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government and Veterans and Military Purchase Programs; or on refurbished devices. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI is subject to change at any time for any reason, including but not limited to installment term lengths and eligible products. See the [Apple Card Customer Agreement](#) for more information about ACMI.

To access and use all Apple Card features and products available only to Apple Card users, you must add Apple Card to Wallet on an iPhone or iPad that supports and has the latest version of iOS or iPadOS. Apple Card is subject to credit approval, available only for qualifying applicants in the United States, and issued by Goldman Sachs Bank USA, Salt Lake City Branch.

Apple Payments Services LLC, a subsidiary of Apple Inc., is a service provider of Goldman Sachs Bank USA for Apple Card and Savings accounts. Neither Apple Inc. nor Apple Payments Services LLC is a bank.
